As a part of such assessment, the Group has considered the recoverability of outstanding trade receivables, contract assets, impact of lease modifications, accounting for benefits received from governments and future cash flow position upto the date of approval of these financial results. The Group is confident of recovery of outstanding assets as on September 30, 2020. However, the impact assessment of COVID-19 is an ongoing process and it's impact remains uncertain, given the uncertainties associated with its nature and duration. - The Code on Social Security, 2020 ('Code') pertaining to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The new code may impact the existing employee benefit obligations of the Group. However, related rules and the date from which it will be applicable has not been notified.
