MEDIA RELEASE

VAKRANGEE SOFTWARES RANKS NUMBER ONE IN THE AADHAAR ENROLLMENT PROJECT

MUMBAI, April 25, 2013: Vakrangee Softwares Ltd (VSL) has outpaced the rest of the "Aadhaar" enrollment agencies by enrolling residents across India and has emerged as the new leader in all the three categories namely number of Aadhaar generated, data uploaded and number of residents enrolled.

Source: Aadhaar Portal - https://portal.uidai.gov.in/uidwebportal/dashboard.do

VSL has been empanelled in the highest category for any enrollment agency i.e. T3F4 category by the Unique Identification Authority of India (UIDAI) permitting VSL Pan India enrollment activity. Vakrangee has so far covered residents in majority of the states of India including Maharashtra, Rajasthan, Madhya Pradesh, Jharkhand, Punjab, Chandigarh, Haryana, Uttar Pradesh, and Gujarat under the following registrars of UIDAI:

- Union Bank of India
- Allahabad Bank
- Bank of India

- Government of Rajasthan (Department of Information Technology)
- IGNOU
- Govt. of Haryana (FCR)

The Company has recruited, trained and is managing more than 10,000 UIDAI certified personnel across the country who are in the constant pursuit of creating the world's biggest biometric database. The leadership in Aadhaar implementation also complements and strengthens the financial inclusion project of the Vakrangee for attaining the goals of the direct benefit transfer scheme of government of India.

About Vakrangee Softwares Limited

(BSE Code: 511431; NSE Code: VAKRANSOFT)

Incorporated in 1990, the Company is a prominent system integrator and end-to-end service provider which brings together all hardware, software as well as on ground activation for various Mission Mode Projects under National e-Governance Plan.

We are currently implementing Election related projects, UID Enrollment, Direct Benefit Transfer through Financial Inclusion, Public Distribution System, Common Service Centres, National Population Register, E-Mitra, Land Records and IGRS. We have partnered with Nationalized Banks, Private Banks, Regional Rural Banks, Central government and State governments for successfully implementing these flagship projects that will benefit every Indian.

The Company has been certified with CMMI Maturity Level 3, ISO 9001:2008, ISO 20000-1:2011 and ISO 27001:2005.
